President His Highness Sheikh Mohamed bin Zayed Al Nahyan today welcomed His Excellency Prabowo Subianto, President of the Republic of Indonesia, who is on a working visit to the UAE.

During the meeting, His Highness and His Excellency Subianto discussed opportunities to strengthen bilateral cooperation, particularly in the fields of economy, development, investment, and renewable energy, among others. The discussions took place within the framework of the Comprehensive Economic Partnership between the two countries, with both sides underscoring the importance of advancing shared interests, supporting development priorities, and delivering benefits to both peoples.
