

UAE President receives participants in Abu Dhabi Global Healthcare Week

◆ 14 May 2024 | 📍 Abu Dhabi

President His Highness Sheikh Mohamed bin Zayed Al Nahyan today received at Qasr Al Bahr in Abu Dhabi several health ministers and officials participating in the inaugural Abu Dhabi Global Healthcare Week (ADGHW).

During the meeting, His Highness extended a warm welcome to the guests, joined by His Excellency Mansour Ibrahim Al Mansouri, Chairman of the Department of Health – Abu Dhabi. He wished them success in their contributions to this global event aimed at achieving outcomes that will form the basis for future strategic planning in the global health sector.

His Highness highlighted the significance of these gatherings for exchanging ideas and insights on the latest trends and technological advances shaping the global healthcare system. He also stressed the importance of developing innovative solutions to address challenges facing the health sector.

His Highness emphasised that the UAE is committed to supporting all efforts and initiatives aimed at advancing the future of healthcare and strengthening global health systems while also promoting investments in healthcare development for the greater good of humanity.

Participants expressed their appreciation to the UAE and the organisers of the Abu Dhabi Global Healthcare Week, which provides a vital platform for dialogue and the exchange of ideas on future healthcare needs and strategies for advancing healthcare through a proactive and preventive approach.
